Thursday 1 September

Today we pray for:

We pray especially for the people of Somalia suffering famine and drought, the people of Pakistan suffering flooding and for the people of Afghanistan and Syria. Remembering too, all those who have lost loved ones and whose lives have been affected by the war in the Ukraine. As the new school year begins, we send our prayers to all children who are starting or returning to school, for students going to university and, especially, for those students who did not get the exam results they needed and now face new choices about their future.

In the Quintet Benefice we pray for our parishioners, especially those who are suffering with their health; and the recently bereaved.
