# LETTER FROM CANON BARRY

Dear Friends

We are approaching the end of the Christian year, and as such can reflect on what has passed by; not necessarily a very edifying series of events, but no doubt one which may well have contained significant events for us personally.

Perhaps the main memories we have include those which made national news: the easing of Covid restrictions, the change of Prime Minister and all the subsequent shenanigans (I write this in mid-October), the death and funeral of our beloved Queen, and still a running sore in the history of mankind, the bloody war in Ukraine.

As the Church approaches the time of thanksgiving which November represents, there is time to reflect on what the future may hold; in November we thank God for all the saints and good people who have gone before us, we thank him for the gifts of the prophets and holy people we hear of in the Old Testament, and in culmination, for the gift of our Lord, Christ the King.

I recall a book I had as a child which represented the months of the year – what it was called I have no recollection, but it had a cartoon-type picture for each month; that for November had fogs and frosts and general dampness. I recall the old-style pump in the picture depicted as an old man with a frozen drip on his nose!

The renewal of the Christian year at the beginning of Advent gives a solid basis for hope. The anticipation of Christmas which the commercial world will have started weeks ago, begins in the Church with the marking of Advent Sunday which this year occurs on 27<sup>th</sup> November. This seems very early as Christmas falls on a Sunday, giving us the longest Advent possible. (Next year with Christmas on a Monday we have Christmas Eve and Advent 4 on the same day!).

So, in these grey days of November there is time to give thanks for those who have gone before us, especially in the world of the Church and its history. We might pray for a reduction of the Ukraine issues and realization of the injustices which such an invasion brings, despite the condemnation of the rest of the world. (How can one world leader be so deaf to all the criticism and condemnation of his actions?).

We might pray for a reduction to zero of the flow of migrants in tiny boats across the English Channel; we might pray for a more secure and honest

government in this country with compassion for the less fortunate, and above all we might pray for a spread of Christian understanding and witness.

While we have much to give thanks for, there is still much to pray and work for, so with the turning of the year into a new year of Christian hope, we approach Christmas with renewed gratitude for the gift of God of the little baby in a manger (an act so far removed from our world of today, yet which we still regard so fondly and somewhat wistfully).

With my good wishes

*Barry*

## **PRAYER CORNER**

Please pray—

- For our government and political leaders, that those who govern may be governed by God's love. May those who lead be led by God's directing; and may the whole world come to know its need of God, by making us a caring world, honest in promises, far-sighted in the management of resources, and open-hearted in charitable giving
- For all the countries that are going through conflict and political instability; we ask for peace, and that their citizens be free from fear and know stability once more
- For all who are affected by natural disasters, from bush fires and plagues to floods and devastating mudslides that destroy homes and livelihoods, putting lives at risk
- For all who are struggling financially; for those who are worried about how they will pay their bills, how they will afford to eat, how they will keep their homes warm this winter
- For our Benefice and Parishioners, especially those who are suffering with their health; and the recently bereaved
- For our church buildings that funds may be found for their urgent repair
- For the Wild Church initiative

O Lord our God, guide us by your Spirit;  
give us wisdom; give us courage; give us hope;  
and keep us faithful now and always.  
Amen.

## **CONGRATULATIONS TO THE INTREPID TRIO!**

Aim: To walk a circular route around all five churches in the Benefice, starting and finishing at Beeston Regis, and stopping at each church to offer prayers for the local community. To raise much needed funds for the Benefice.

Result: Jeremy and Lesley managed to complete the full circuit (apparently it was a training session for their walk of the Pennines next year!) and Ali and Karlha the dog managed to walk to four of the churches, dipping out at Gresham.

Well done to Jeremy, Lesley and Ali, and thank you to everyone who joined them for all or part(s) of the walk, or for prayer. Thank you also to all those who so generously sponsored them – they have raised over £500.00.

## ADVENT

During Advent we will be holding a midweek benefice Eucharist at St Andrews, East Runton each Wednesday at 10:30am – and we hope to then carry this on each Wednesday of 2023.

To mark the start of Advent, and to help people in their preparation for Advent and Christmas, on **Wednesday, 30<sup>th</sup> November** (St Andrew's day) following on from the Eucharist, I will be leading an Advent quiet day which will run until 3:30pm – and I will provide a simple soup lunch for those who attend.

If you can't commit for the whole time, please feel free to join us for part of it.

# NEWS FROM THE QUINTET BENEFICE

## BEESTON REGIS

**Wild Church** – What a glorious October afternoon we enjoyed on Sunday 9<sup>th</sup> October and how lovely to welcome another new family into our midst.

A special delivery of two ginormous pumpkins, home-grown by our Rector, arrived to astonish us. They soon became Gratitude Pumpkins as we scribbled on them things for which we were grateful to God for.

Our afternoon provided an abundance of sensory activities to help us be present in the moment and support our wellbeing. From trays of foraged natural items to run our hands through, to hand-made blackberry playdoh to mould; from conkers to decorate with emojis, to the delicious smells of healthy apple, pear & berry crumble.

The ‘Harvest Samba’ had us all raising our voices and tapping our toes. What an energetic way to celebrate all God’s goodness to us!

The story of ‘The Last Chip’, written in support of The Trussell Trust, caused us to remember our responsibilities to provide for the many in need in our hungry and hurting world.

Thank you to all who brought gifts of produce from gardens and fields to share. It was lovely to be in community with all who came and encounter our Creator God in this wonderful season of Fall.

**London Marathon** – Well done to Duncan Baker MP who ran the London Marathon on Sunday 2<sup>nd</sup> October. Duncan’s aim was that for every mile that he completed, 25 local charities would each receive £1,000, and then for the final mile of the marathon, he wanted to donate £5,000 to the Supporting Ukraine in Norfolk Community Foundation’s Ukraine Fund that is helping refugees all over Norfolk. The target Duncan aimed to raise was £30,000 and the figure he has currently raised is £31,846.00. So, All Saints, Beeston Regis will be receiving at least £1,000.

**Families & Children, All-Age Services** – The All-Age Service takes place on the third Sunday of the month at 11.00am. There is a Children’s Corner in the building which is well used and much enjoyed. Children will be enthusiastically welcomed...and parents, rest assured, your children can be children, at our services! Everyone else is warmly invited too. Do come along and try us out!

## AYLMERTON

**Remembrance Sunday** — We look forward to seeing you at 10.15am on Sunday 13<sup>th</sup> November for our Remembrance Service.

## EAST RUNTON

A message from Jean:

“Our Harvest Festival at the end of September was a real joyous occasion. The church looked beautiful and contributions to the Cromer and District Food Bank were generously offered.

The Harvest Coffee Morning, Saturday 8<sup>th</sup> October, raised a wonderful £390! We are so grateful for such wonderful support, thank you.

The next event will be on **Saturday 3<sup>rd</sup> December, in Church, 10.00am to 12 noon**, when the focus will be on Christmas. Mince pies, homemade cakes, books, raffles, and much more.....all good fun! Come and join us. Proceeds are to parish funds, with, as usual, 10% going into a “Disaster Fund” from which, when a national or international emergency crops up, we can respond accordingly.

**A date for the diary.....Our Carol Service will be on Sunday, 11<sup>th</sup> December at 3.00pm.**

In view of the current financial crisis, and the extra demands on Food Banks, we will be collecting items of non-perishable foods and toiletries in church to offer for Christmas. There is a list on the notice board of the sort of things needed. Help in this way will be very much appreciated.

## WEST RUNTON

**Coffee Mornings** — Our Coffee Mornings are being held **every Friday during November at the Church Hall, West Runton from 10.00am to 12 Noon**. Our coffee is well known as the coffee drinker’s delight! So do come along and help raise some funds!

## GRESHAM

During October we held two successful events in Gresham. On Thursday 6<sup>th</sup> October, a visit by Abi from Norfolk and Norwich Bat Group saw us outside the church at dusk listening to the sonar calls of pipistrelle and soprano pipistrelle bats as they swooped over the churchyard, using the bat detectors she brought with her. Afterwards Abi gave a most interesting talk

about our resident bats – who knew for example, that they sing when looking for a partner!

On Saturday 15<sup>th</sup> October in conjunction with the village hall, we held a ceilidh with music from the wonderful Whirligig. It was well attended and great fun, we also raised some money to help keep the church in the well-maintained condition it currently enjoys. Now that the Lottery project is complete, the function of the church Friends will be to do just that, as well as run events for everyone to enjoy and use the space as a community hub for all. We have a programme of events planned for next year and I'll look forward to updating you about them soon.

## LOCAL NEWS

Meetings of **The Sheringham and District Philatelic Society** are held at **West Runton Church Hall at 7.30pm on the second Monday of the month**. We are a small group of people who collect stamps and other items of philatelic interest such as special postmarks. Some of us are serious collectors and others just simply collect in their own way. We have speakers on a wide range of subjects, put on our own displays, hold an annual quiz and auction.

At the Society's our October meeting the stamps of Iceland featured. Peter Boyce, of the Norfolk and Norwich Philatelic Society, joined us for the evening and gave a brief history of this country and of its political and philatelic history. Iceland became independent of Norway after WW1 in 1918 and became a republic in 1944, issuing its first stamps in 1873. As pictorial stamps began to be issued, they reflected the scenery, flora and fauna, with particularly interesting bird stamps. Peter's collection ended in the year 2000 and Iceland ceased to produce its own stamps in 2021. The second part of Peter's display was of The Levant, a loose collection of Eastern Mediterranean countries, ruled over by many other countries over the years. This led to an interesting, but highly confusing, philatelic picture! Visitors are most welcome to attend the meetings, the next one being on **Monday 14<sup>th</sup> November** when there will be a **Quiz Night**. Contact Jim, our Secretary, for further details on 01263 721043.

## DID YOU KNOW THAT....

In Anglo-Saxon times, November was known as Blotmonap (blood month or sacrifice month). November's name has remained unchanged since the ancient Roman calendar, which was in use until 45 BC. This first Roman calendar was only made up of ten months, with November being the ninth month. November retained its name from the Latin *novem* meaning “nine”– when January and February were added to the Roman calendar.

Although the word November dates back to Old English, the first known use of Novemberish, was by Robert Burns in 1793.

November is the only month used to represent a letter in the phonetic alphabet.

Each liturgical year begins on the First Sunday of Advent during the preceding calendar year (i.e. the First Sunday of Advent in 2022 begins the 2023 liturgical year). The organization of each liturgical year is governed by the Church and ultimately integrated into a liturgical calendar, which has a full 3-year cycle. This year will be Year A and will concentrate on the Gospel of Matthew.
